Future Loops presents Trappers Delight a blazing collection of premium Trap & Hip Hop kits in WAV & REX format!

This top notch selection of samples & loops brings you pure and authentic Trap sounds that range from dark to melodic and from underground to head nodding and features 15 hot and banging construction kits!

Expect to find 808s, orchestral loops, tight beats, dark keys and pianos , syncopated synths , drilling basses and sequenced leads...These kits are radio ready and loaded with all the elements you need to make high-quality Trap tunes on the fly!

- All 15 Construction Kits inside Trappers Delight come packed with Melodic Loops (Bass, Synth, Keys, Strings, Brass, Vox, FX, Arps, Plucks, etc), Full Mixed Drums, Drum Loop Elements (you get access to all individual parts of each Drum Loop - Kick, Hat, Snare, Percussion, etc) and finally nearly 100 Drum One-Shots for those who wish to build their grooves from the ground up!

With charisma and attitude, Trappers Delight is a must-have Trap production tool to add to your sound arsenal - All samples are 100% Royalty-Free !
