

GROOVE SERIES >> Deep House 01

Future Loops is proud to present **Deep House 01**, a perfectly crafted collection of **Deep House** drum loops that will nourish your productions with an abundant source of lush , sumptuous and chic groove beds !

Deep House 01 was designed to offer you full creative control while mixing . For each beat you have access to the standalone build loops, top loops, full loops and loop elements :

Full Loops // complex beats with multiple elements pre-mixed , all ready to cut through the mix like diamonds !

Build Loops // ready to use groove constructions for different parts of the track , combining loop elements in different ways . Mix trendy and professional Deep House grooves with ease !

Top Loops // tone it down with kick-free beat patterns !

Loop Elements // feeling creative ? Experiment, mash and play with the elements until you reach the stylish rhythmic background you're aiming for your tracks ! These loops contain standalone kicks , hats , claps , snare , percussion , fx , noise , blips , glitch , toms and more ! Combine different loop elements and create new Deep House beats with ease !

Without a doubt, **Deep House 01** is packed with sophisticated , high-end drum loops - specially organized and sorted for *real & effective* mixing control !
