

DEEP HOUSE DUB — MIDI CHORDS & PROGRESSIONS

Future Loops presents Deep House Dub - MIDI Chords & Progressions an alluring collection of WAV & MIDI samples for the most demanding of Deep House producers!

Deep House Dub -- MIDI Chords & Progressions brings you 25 melodic construction kits that include ready-to-mix basslines, chords, leads and pads that are absolutely guaranteed to add endless inspiration to your tracks and elevate your Deep House, Dub House and Ambient Dance productions!

All Kits in Deep House Dub - MIDI Chords & Progressions include multiple variations for each melodic groove (bass, leads and chords) and full mixed version.

Samples are provided in WAV and MIDI, which means you can totally customize each note and get total control on these sounds; apply whatever sonic texture you're aiming for by using your favorite synths!

The loops in Deep House Dub - MIDI Chords & Progressions were developed for 117 BPM, 120 BPM and 123 BPM but the MIDI files ensure you can convert them to any key and/or tempo!
