Future Loops is proud to release Dirty Club Kits a special collection of urban flavored construction kits perfect for anyone looking to take the party from the streets right into the dance-floor!

Dirty Club Kits is packed with that perfect balance between Hip Hop, R&B and Club. With a dirty and unapologetic groove, this sample collection features lots of melodic and rhythmic elements that will appeal to both Urban and Dance Producers: fired up drums, arp runs, warm basslines, FX and banging synths that go from Electro to Gangsta and from Sexy to Electrifying!

This awesome set of 15 Construction Kits includes Melodic & Instrumentals (Bass, Arps, Synths, FX, Pads, etc...), Full Mix Drums, Drum Multitracks (Snare, Hat, Kick, Clap, etc...) plus Drum One-Shots to build your own dirty club beats!

Just drop the loops into your favorite DAW and get ready to mix, mash, chop, edit and process as you please!
