Groove Series >> Distance Dubstep

Future Loops is proud to release **Distance Dubstep**, an allmighty sample pack produced by Distance (born Greg Sanders), acknowledged Dubstep Producer, DJ and Chestplate label founder.

Distance and Future Loops teamed up to bring you a rare gem of dubstep loops meticulously crafted and designed to make sound systems tremble in joy ! Distance's explosion came with his 2007 debut on reputed *Planet Mu* label. "My Demons", an acclaimed first album , revealed Distance as a critical figure in the Dubstep scene.

FUTURE LOOPS

Distance Dubstep features 25 ready to use Construction Kits and over 700 loops : Bass , Synth , Drum Loops , FX , Percussion are all included and the samples are organized by Kit or by Type for easy browsing and access .

Whether you're into a darker perturbed sound with unsettling wobbles and abusive synths or a more Ambient and Chilled dubstep , **Distance Dubstep** is an indisputable title when it comes to Dubstep sample packs !
