

**Real Series >> Dread Bass Drops Vol 2**

Future Loops is proud to release Dread Bass Drops Vol 2, the second volume from our reggae best-seller Dread Bass Drops!

Dread Bass Drops returns once again, with over 700 *Jahlicious* reggae & dub bass loops in WAV & REX format.

Dread bass Drops Vol 2 includes 2 different bass sounds: one bass is clean yet still has a strong presence and the other bass is gritty and drenched in a sub-bass overdrive personality .

There are 5 different tempos ( 70 BPM, 77 BPM, 85 BP, 90 BPM and 95 BPM ) and loops were performed in a wide variety of keys.

One can never get enough reggae & dub real bass sounds, and Dread Bass Drops Vol 2 is here to satisfy all your dubby bass cravings!
