

## Groove Series >> Drum N Bossa Beats

Future Loops is proud to announce a delicious new sample pack "Drum N Bossa Beats". This is a compact but highly useful library filled with Bossa Nova flavored Drum & Bass beats, ready to jump start your Drum N Bossa tracks .

"Drum N Bossa Beats" features 53 impeccably produced DNB breaks, specially developed to be mixed with Bossa Nova elements , ready to set clubs on fire and provide the rhythmic background for fast paced dance music tracks.

The unique organic swing and mellow flow of the drum loops can also bode well with more laid back drum and bass tunes or chilled out productions ( you can use the REX loops to play the beats at a slower tempo ).

## Groove Series >> Drum N Bossa Beats

Also included are the very handy Fills , High-Pass filtered beats and Throttle Hats which bring the total count of loops to 70 .

This 47 MB collection features :

- 70 WAV Loops
- 70 REX Loops
- 53 Full Beats
- 7 Fills
- 5 HP Loops
- 5 Throttle Hats

"Drum N Bossa Beats" is a short and sweet pack , low on size ( 47 MB ) but high on value with precise drum & bass drums , an original bossa edge and a sunny summery energy...!
