Future Loops is proud to present EDM FX Tools, a premium collection of versatile Sound Effects for your EDM productions!

Although specially geared towards House, Complexro , Mainroom , Progressive or any other dance genre EDM FX Tools is also very flexible and can lend a high impact on other music productions such as Dubstep, DNB, Trap or Breaks!

With EDM FX Tools we provide you with an entire bag of tricks to seed your tracks with the right FX at the right time, allowing you to easily build momentum and control the energy of your tunes!

We divided EDM FX Tools into 6 different FX categories:

EDM Rise Up - Menacing EDM rises to boost the energy of your track

General FX - Just drop these babies and set the dancefloors on fire!

Impacts - Heavy and Big impact sound FX for drops and breakdowns!

Uplifters - Up! Up! Up! Transitions for killer moments...

Arcade FX - 8-Bit style FX that will make your productions stand out from the rest!

Downsweeps - Go Dooooowwn , go boooom!

EDM FX Tools is a must-have collection of FX for all serious dance producers : add this arsenal of samples to your sound library and you'll be making the crowds go up and down in no time!
