

GROOVE SERIES >> EPIC EDM ANTHEMS

Future Loops is proud to release Epic EDM Anthems a powerful collection of EDM samples & loops in WAV & REX format !

Epic EDM Anthems is ready to take your dance productions by storm! Featuring all the elements you need to produce legendary dance-floor hits : heavy drums, pounding basslines, melodic chords , bouncing leads, growling synths , build FX & more!

Epic EDM Anthems was painstakingly produced to bring you fresh and contemporary dance samples that you can use in Progressive, Electro , Complexro and every EDM production that calls for monster drums , banging synths and killer bass loops !

All the drum loops in Epic EDM Anthems also come equipped with the ready to mix individual drum tracks and drum hits (over 65 Drum One Shots) such as Kick, Snares, Percussion & Rides so you can instantly load them in your favorite DAW and start producing !

Note: MIDI files of the melodic loops are included in each kit so you can use them as inspiration and easily tweak them with your own fresh ideas !

In sum Epic EDM Anthems includes:
