

GROOVE SERIES > FUTURE DARK AND AMBIENT TRAP**Tech Specs:**

- 321REX Loops
- 429 WAV Loops
- 115 WAV One Shots
- 1.09 GB

Future Loops presents "Future Dark And Ambient Trap", a superior sample collection with over 500 sounds in WAV & REX formats.

"Future Dark & Ambient Trap" superbly merges Trap, Ambient and Chillstep, featuring high-quality, ready-to-mix samples that are here to push the boundaries between genres and take your productions to a whole new level!

Future Loops has packed "Future Dark & Ambient Trap" with all the elements you need to produce groundbreaking Trap tracks: crispy and pounding beats, sub rolling basslines, intelligent synths & evocative leads, icy pianos, cryptic chords & pads, FX and much more!

"Future Dark & Ambient Trap" is 100% Royalty-Free and includes over 420 loops (all key and tempo labelled for easy reference) PLUS you will also get a folder with over 100 One-Shots that are ideal to build your own Trap and Ambient beats from scratch!
