

Future Loops is proud to release Hip Hop Guitars, an awesome collection of over 700 Hip Hop guitar samples and loops!

Hip Hop Guitars features live recorded guitar loops specially developed for Hip Hop but perfectly suited for R&B, Funk, Pop, Downtempo and many other genres !

Tempo was kept at 80BPM and the performances are organized into Lead Guitar (for licks and solos) and Rhythm Guitars (for chords , strumming and progressions):

The smokey riffs in the Rhythm Guitars allow you to set the pace while the Lead Guitars feature slick melodies and tight licks that will give your tunes just the right flair of 6-string goodness !

Hip Hop Guitars is a very diverse sample pack with a tone that goes from smooth to urban , from sexy to dark , all 100% royalty-free and ready to satisfy your deepest cravings for Hip Hop flavored guitars!

If you are eager to get your hands on the more than 350 loops then you will love the icing on the cake : 400 One-Shots that are specially included for the producer virtuosos that like to create new melodic patterns - Just pick your samples and start baking your own guitar riffs and Hip Hop tunes from scratch!

Hip Hop Guitars includes:

764 Guitar Loops

- 364 Loops
- 400 One Shots
