

KIT Series >> Jungle Drum Kits Vol 2

Future Loops is proud to release **Jungle Drum Kits - Vol 2**, the second volume of our jungle multi-format drum kit sample packs .

Featuring over 180 highly professional drum hits , **Jungle Drum Kits - Vol 2** is a fantastic selection of sounds specially designed for Jungle but also ideal for Drum & Bass , Dubstep or Breakbeat productions.

We're loading your studio you with 19 Drum Kits packed with Snares, Shakers, Hats and Kicks, ready to be built into powerful Jungle grooves! Build from the ground up and organized with the user in mind this fine drum kit pack includes samples in the traditional WAV format but also in other popular formats such as MPC, Giga, EXS, Kontakt and Battery.

KIT Series >> Jungle Drum Kits Vol 2

WAV

The WAV samples are divided into 19 Kits and there is also an additional folder that organizes samples by type (Kick , Snare , Hats) for better browsing .

Multi-Formats

Additionally and for extended usability & flexibility the samples were carefully edited and mapped into MPC, Giga, EXS, Kontakt and Battery kits . There are 3 kits for each format .

Jungle Drum Kits Vol 2 features:

- 184 Drum Hits In A Total Of 744 Samples (After Content Duplication)

Jungle Drum Kits - Vol 2 is a highly useful sample pack if you need impeccable Jungle drum hits & kits ready to be used in the most popular samplers . All for a great price and with the quality stamp that Future Loops is committed to bring to you !
