

Groove Series >> Jungle Guerrilla

Future Loops is honored to announce the release of Jungle Guerrilla, a collection of the finest blend of jungle & drum and bass elements that will drop like a kamikaze bomb into the heart of your productions !

Future Loops went commando style to the deepest of jungles packed only with a pocket knife and a supercharged laptop with one goal only: Coming back alive with some wicked and subversive Drum & Bass sounds on our hands !

Jungle Guerrilla is the direct result of the exploration of a very underground and positively dark jungle realm that pushes the boundaries of Drum & Bass sample packs into uncharted territories !

This rebel pack delivers you a set of 10 terrorizing jungle CKs ready to ambush producers looking for potent and intoxicating Jungle samples. Each CK comes with 3 Full Beats and includes various elements such as filthy Bass lines , paralyzing Synths, malicious FX and stealth Ambiences !

Groove Series >> Jungle Guerrilla

For easier browsing the sounds are organized by Construction Kit and by Type (Bass , Fills , Synth ...) .
