

Real Series >> Keith Holden Funky Bass

Future Loops is proud to release **Keith Holden Funky Bass**, a fantastic collection of versatile & groovy bass loops !

UK based Composer Keith Holden is a talented bass player musician whose work ranges from TV, Radio, Recording Studio, and Film Scoring. His music covers many genres such as rock, funk, electro , jazz fusion or even orchestral compositions. Keith's love for the bass guitar and unique playing style make him a highly sought out performer !

Keith Holden Funky Bass captures the author's playing signature in 200 Loops plus 50 Bonus Moog Filtered Loops (for that special 70's flavor). The pace is always groovy and the variety keeps the flow fresh , from finger-style to slapping licks . If you're looking for some delicious funk bass grooves for your tracks **Keith Holden Funky Bass** delivers exactly what you need.
