

## URBAN SERIES >> LEGENDS OF SOUTH – DIRTY CRUNK KITS

Future Loops is proud to present **Legends Of South – Dirty Crunk Kits**, a mighty collection of 40 Construction Kits full of Dirty South flavour and attitude!

Every single Kit in **Legends Of South** is heavy on flawless, chart-buster, authentic Dirty South material offering you the decisive elements to produce killa beats and hip hop tracks: rich 808 basses, dramatic Lead synths, solid Brass works, intense Arpeggios and Pizzicato runs, urban orchestral Strings and Timpani hits, vigorous drum machine kicks, phat snares and claps!

With tempos ranging from 64 BPM to 92 BPM, **Legends Of South** has a true epic Dirty South feel.

With each Construction Kit you get all the drum hits as well as the separate tracks for full remixing control: You'll be able to get your hands real dirty: cut it, edit & mix as you please...!

This is definitely a pack with fresh, up-to-date and on-demand Hip Hop samples that passionately covers the ground of Dirty South like few. Whether you're in a dirtier mood or need some blazing beats for your productions, **Legends Of South** is just right for you!
