

Future loops is proud to present **RNB Royale**, a tasty collection of R&B Construction Kits specially prepared for the modern Hip Hop and RNB producer !

RNB Royale is packed with chart topping kits that go from mellow to dirty , from sensuous to club . Inspired by artists and producers such as Chris Brown, Ne-Yo or Usher the RNB royalty is waiting for you to get your hands dirty and add that extra edge to your tunes !

Every construction kit features all the elements you need to produce the hottest R&B in town: synths, bass lines, banging beats, pianos, guitars, FX, strings and more!

Tempos in **RNB Royale** range from 60 BPM to 90 BPM, so there's plenty of moods and vibes to play with in your studio !

Here's what you can find inside **RNB Royale**:
