Future Loops is proud to present Reggae Percussion, a mighty collection of over 1100 live recorded percussion samples & loops for Reggae & Dub producers!

Reggae Percussion features 9 different percussive instruments (Timbale , Bongo, Clave, Cowbell, Funde, Repeater, Shaka, Snare and Thunder!) that will cover all your needs for dub infused beats and jahlicious productions !

All performances in Reggae Percussion were recorded at 70BPM - Add some authentic and organic percussion grooves to your Reggae and Dub productions with this inspirational library that comes packed with a must have arsenal of pure reggae rhythms and special fillers!

With over 550 loops you will find your classic Thunder , Claves , Cowbells and Shaka elements as well as swinging Bongos , Fundes and Repeaters for those instant head nodding patterns ! The Snare and Timbale loops are great for fills , intros or percussive breaks !

Also included are over 570 percussion one-shots , ideal for anyone who wants to get down and dirty and produce their reggae vibes on the fly !

DRUMMING SERIES >> REGGAE PERCUSSION
