

Future Loops presents "Scratch Anthology" the second title from our Urban Series...an awe-inspiring collection of scratch samples that will add an authentic street flavour to your tracks!

This funky collection was produced by **Dj Quest (Space Travelerz , LiveHuman)**, scratch expert and virtuoso , to delight you with the best turntable sounds on the planet !

Dj Quest created a massive sample library (**over 1000 scratch loops**) that is both a stand out of his unique talent and many years of experience of scratching and turntable techniques, and also a powerful tool built for extreme usability : you will now be able to access a glorious resource of superior **turntable loops** that will give that urban feel to your music !

"Scratch Anthology" is a rich assortment of turntable/scratch based music compiled with over **700MB** worth of true turntable mechanics. **"Scratch Anthology"** contains a wide variety of scratch patterns from different eras of the art form : **from old school basic rubs to modern styles such as crab and flare.**

Urban Series >> Scratch Anthology

The samples, all loop ready (WAV and REX), vary from 1- 2 bar as well as 1/4 and 1/2 note. In addition, the range of sounds expands the usual expected by incorporating **cut up instruments** (drums, basses, horns, vocal phrases, etc,) and **electronic sounds for the user to compose tracks completely with "Scratch Anthology"**.

The samples are categorized in folders by BPM, **beginning at 80 BPM all the way to 125 BPM**, with increments of 5 BPM per folder.

As a bonus, there is an additional bank with the traditional scratch sounds. **Basic Scratches, Combos, and Rubs** are a mixture of the different fundamental techniques dj's have performed through the years !

"Scratch Anthology" is perfect for all you **vinyl freaks , scratch addicts and turntable junkies** ! Basically if you want to mix funky , outrageous and professional urban elements into your songs you will have a field day with **"Scratch Anthology"** !

What are you waiting for ? **Le-le-lets ge-get scratching !**
