

Future Loops is proud to release South Of Trap, a magnanimous collection of Dirty South & Trap samples in WAV & REX format.

South Of Trap features must-have Dirty South Loops & One-Shots spiced up with hot Trap flavours , legendary instrumentals and gangsta drops ! The result is a sample pack with depth and character that blends styles and crosses genres and will definitely be a go-to provider of inspiration for your next Hip Hop productions!

Featuring from epic leads , orchestral works or crunkier drums to underground synths or relentless arpeggios South Of Trap features loops between the 65BPM - 86BPM tempo range and includes all the critical elements to produce chart-topping tunes : sick beats, pads, pianos , 808's , brass, bass, synths, leads, FX, strings and vocals !

For complete mix control the drum loops are also offered with the drum multitracks and individual one-shots such as kicks, crashes, claps, snares, hihats, percussion and more!

Here's what you'll find inside South Of Trap:

557 WAV Samples

- 469 WAV Loops

- 88 WAV Drum One Shots

362 REX Loops
