

GROOVE SERIES >> STICKYBUDS – FUNK, BREAKS & BASS

Future Loops is proud to present Stickybuds - Funk, Breaks & Bass, a true sound gem and the debut sample pack from Canada's own funk master Stickybuds !

Stickybuds (aka Tyler Martens) has made a name for himself over the years creating legendary electronic funk music, topping the charts (Beatport / Juno) and performing all over the world , now teaming up with Future Loops to deliver a beast of a library that is a must-have for producers looking for Funk , Breaks , Bass Music and anything in between !

Stickybuds - Funk, Breaks & Bass is an insane collection of over 800 Loops & One-Shots of the purest funk and breaks delight ! This sample pack is a funky breakbeat paradise on steroids with an overwhelming and compelling variety of Stickybuds signature sounds : expect dirty and phat synths , groovy basslines, bone-crushing breaks , live drums, vintage funk guitars , trippy FX & more !

Featuring the collaboration of Giorgos Fotiadis (Basement Freaks) on the live funk guitars , Kristian O'Dwyer on the live bass guitar and Warner Jerome on the live drums this pack provides you with an authentic set of truly inspirational sounds , all 100% Royalty-Free and ready to go !

Inside Stickybuds - Funk, Breaks & Bass you will find:

845 WAV Samples
- 750 Loops
- 95 One-Shots

524 REX Loops

A note from Tyler :

Stickybuds - Funk, Breaks & Bass was created with the help of these musicians...

Giorgos Fotiadis (Basement Freaks) – Funk Guitar
Kristian O'Dwyer – Bass Guitar
Warner Jerome – Live Drums

Special thanks to session engineers Derek Ferrier and Kyle McCormack and The Centre for Arts and Technology in Kelowna, BC for the use of their amazing studio. I hope you have a great time making the next wave of funk music that puts a smile on your listeners faces and the swing in their step!
