

SUB BOOM TRAP

Future Loops presents Sub Boom Trap, a heavyweight collection of samples, loops and construction kits in WAV and REX formats!

Sub Boom Trap brings you bass and 808 heavy beats with bouncing drums and dope hooks: these are radio-ready sounds that will serve perfectly as the backbone for your next tracks and will bring inspiration for your Trap productions!

Inside Sub Boom Trap there are 15 deluxe construction kits with ready-to-mix sound gems: full drum loops, drum loop elements (kick, snare, clap, hat, percussion & more), melodic elements (bass, 808, FX, synth, pad, piano, arps, bell, vox & more) PLUS over 100 pristine Trap drum one-shots for anyone who wishes to build new beats from scratch!

Sub Boom Trap is 100% Royalty-Free, certified fresh and blazin hot!
