

TRAP ANTHEMS

Future Loops presents Trap Anthems, a premium collection of Trap with over 500 samples and loops in WAV & REX format!

Trap Anthems brings you 15 inspirational, radio-ready construction kits specially carved for Trap and Hip Hop producers looking for pristine sounds where the mood goes from epic to dark, from chilled to banging!

Expect to find tight paced drums and beats, wicked basslines, pro synths, urban strings, crispy bells, huge brass, sound FX, vocal cuts & more!

Each construction kit in Trap Anthems comes packed with Full Drum Loops, Drum Loop Elements (Kicks, Claps, Snares, Percussion & more) and Melodic Elements PLUS an awesome assortment of Trap drum one-shots; perfect to dive deep and make exclusive beats from scratch!

All sounds in Trap Anthems are 100% royalty-free : just drop them into your DAW and mix your next Trap tunes easily!
