

# TRAP GENERATION

Future Loops presents Trap Generation, a premium collection of samples, loops and kits for Hip Hop & Trap producers!

Trap Generation is packed with 15 construction kits that bring you the best of contemporary Trap sounds. Expect to find dope beats, groovy synths, pianos, arps, bells, FX, vox & more!

Each construction kit features all the elements you need to produce radio-ready gems: full drums loops, drum loop elements, melodic elements plus drum one-shots!

With over 2.5 GB of royalty-free content, Trap Generation is a must have production tool for your next Trap instrumentals and beats - take a peek inside:
