Future Loops is proud to present Underground House Grooves a luxurious collection of pristine House drum loops and rhythmic tools in WAV & REX format!

Underground House Grooves draws inspiration from Underground , Deep and Future House sounds and the vibe goes from crisp and low hitting to warm and resonating...

Designed to offer you full creative control and endless possibilities while mixing , the content is sorted by Groove families, each giving you access to full drums, top loops, build loops and single drum loop elements allowing you to easily and instantly mix powerful drum sections for entire House tracks!

Full Drum Loops // warm and underground beats, fully mixed and ready to go!

Build Loops // 100s of deconstructed patterns that are perfect to build the energy of your mixes!

Top Loops // Control depth and swing with kick-free beat patterns !

Loop Elements // Want to get your hands down and dirty? Combine different rhythmic elements from different grooves and instantly add flow to your House productions!! These loops contain standalone kicks , hats , claps , snare , percussion and more !
