

For silky smooth chords , swinging drums , gliding basslines and authentic bass house grooves it doesn't get any better than this ! "Deep Bass House Producer" is your freshest source for inspirational Bass House samples and loops!

GrooveBits brings you a massive collection of sound tools that creatively merges the soulfulness of Deep House with the underground vibes of Bass House !

This incredible blend results in a forward thinking sound and melodic warmth that DJ's have been spinning on the hottest clubs all over the world!

"Deep Bass House Producer" is bursting with all the elements you need to get the groove going and the crowds bouncing : dirty basslines, hard hitting drums , 90's synths , retro chords and stabs , dreamy pads, awesome vocal FX & more!

Drum control is flexible and organized for professional mixing needs with multiple variations of each beat that include full drum loops , no kick loops , kick-only loops or top loops ! You control the groove , pace , drops or builds or you can mix & match elements from different beats to create new rhythmical concepts on the fly !

Besides the endless variety of ready to mix loops, "Deep Bass House Producer" includes over 600 Drum One Shots - a must have addition to your studio and another reason that make grabbing a copy of this ultimate deep & bass house collection a no-brainer !
