

# BASS BOMBERS PRESENTS // BASS ATTACK!

Bass Bombers presents Bass Attack, a heavyweight and hard hitting collection of EDM , Dubstep & Bass Music samples & loops in WAV , REX and MIDI formats!

Bass Attack is a powerful set of speaker blasting basslines , crushing wobbles and phat drums specially forged for Bass Music producers who need to pump some serious energy and intensity into their tracks!

This pack features 767MB of high impact drums , chunky leads , sub-bass destroyers , melodic plucks , vocal injections , ground shaking synths , insane FX , gated sequences, harmonious chords , alien pads , precision cut builds and chest pounding hits that will load your studio with all the ammo you need to produce devastating sonic weapons!

Bass Attack also includes 128 MIDI files and over 200 One-shots of both Drums and Synths!

//LOOPS//

375 WAV Loops / 244 REX Loops

//ONE-SHOTS//

215 WAV One Shots

//MIDI//
