Its OH So Fresh , its OH so Funky..! It is Fresh Funky Samples presenting "Funk Bots & The Kinky Crew" , another super deluxe sample pack with over 700 dripping wet samples , loops and midi files - a Ghetto Funk, Breaks, Soul, Funk & Disco extravaganza that will have you surfing through some of the juiciest and funkier samples you will ever mix!

This collection with almost 2GB of robotic funk and space disco is perfect for the ghetto sound intrepid astronauts and first takes you back to the 70's and the days where Groove was King and melody was Queen with its soulful guitar licks , smooth delicious keys and live studio recordings ; then skips forward to current days with it's phatty drums and futuristic synths and leads and wraps it up with a retro fresh swing that comes from the many analog synths and processed vintage sounds!
