

## Kit Series >> Jungle Drum Kits Vol 1

Future Loops is proud to release **Jungle Drum Kits Vol 1** , a multi-format drum kit sample pack that launches our brand new Kit Series.

With almost 200 highly professional drum hits, **Jungle Drum Kits Vol 1** is a whiz-bang selection of sounds specially designed for Jungle, Drum & Bass and Breakbeat production.

We're presenting you with 20 Drum Kits packed with Snares, Shakers, Hats and Kicks, ready to be assembled into powerful Jungle grooves. Developed and organized with the user in mind this fine pack includes samples in the traditional WAV format but also in other popular formats such as MPC, Giga, EXS, Kontakt and Battery.

### WAV

The WAV samples are divided into 20 Kits and there is also an additional folder that organizes samples by type ( Kick , Snare , Hat & Shakers ) for easy browsing .

### Multi-Formats

Additionally and for extended usability & flexibility the samples were carefully edited and mapped into MPC, Giga, EXS, Kontakt and Battery kits . There are 3 kits for each format .

**Kit Series >> Jungle Drum Kits Vol 1**

In sum here's what you can find in **Jungle Drum Kits Vol 1** :

196 WAV Drum Samples

58 Hat & Shakers

59 Kicks

79 Snares

All sounds are also offered as Kits for: Kontakt, Giga, EXS, MPC and Battery

**Jungle Drum Kits Vol 1** is a very useful sample pack if you need pristine Jungle drum hits & kits ready to be used in the most popular samplers . All for an affordable price and with the quality stamp that Future Loops is committed to bring to you ! Enjoy and keep making great music !
