

ARP BOSS – TRAP KITS

Future Loops presents ARP Boss - Trap Kits a deluxe collection of Hip Hop construction kits in WAV and REX formats!

The vibe in ARP Boss - Trap Kits is contemporary and fresh: expect to find loads of hot synth arps, tight drums, low basslines, bouncing synths, pads, FX, brass, vocal fx, piano & more!

ARP Boss - Trap Kits brings you over 500 high quality samples organized into 15 valuable Construction Kits: you get full drum loops, drum loop elements (kick, snare, hihats, percussion & more), melodic elements PLUS over 80 drum one-shots!

With tempo notation, 100% Royalty Free, available in WAV & REX format, you can edit, mash, mix and cut the samples in ARP Boss - Trap Kits into radio ready Hip Hop gems!
