

AFRO LATIN EDM

Future Loops presents Afro Latin EDM, a steaming hot collection of dance samples in WAV, REX and MIDI formats!

Afro Latin EDM includes nearly 400 hard hitting and show stopping sounds that are guaranteed to get the crowd going all night long!

The mood is epic, vibrant, sensual and energetic and you will find inspirational production gems that mix latin vibes and irresistible afro beats: expect to find potent drums, ethnic percussive elements, electrifying synths, trendy basses, cool vocal FX and loads of melodic elements packed with groove and cutting edge pace!

Afro Latin EDM features 15 deluxe construction kits, each including: full drums, no kick loops, drum loop elements (claps, snares, hats & more), percussive elements, melodic elements (bass, synth, brass, bass, drops, pianos, plucks & more) PLUS 67 highly useful EDM instrumental one-shots for the producer who likes to weave his/her groove patterns from scratch!

Also included are MIDI files to take full control and get creative!
