Future Loops is happy to announce Bass House - MIDI Chords & Progressions , a truly inspirational collection of MIDI & WAV Construction Kits and melodic progressions and tools specially developed for House producers !

Bass House - MIDI Chords & Progressions features a warm, deep vibe with bouncing basslines and indulging chord arrangements and synths. With an emphasis on quality , flexibility and groove control this production pack is perfect for Bass House, Deep House but also Tech House, Funky House or any other genre that can benefit from sensuous melodies and rich harmonious tones !

Explore a valuable song composition tool that allows you to unleash the power of each kit and tweak, redesign or rewrite them into fresh , original and inspirational mixes!

Samples in Bass House - MIDI Chords & Progressions were arranged into high-quality Construction Kits, each kit featuring Chords, Synths/Leads , Bass and a Full Mix . They come both as WAV Loops and MIDI files for ultimate flexibility) - Each Kit also includes a pattern and progression variation of each instrument offering you a huge range of content to work with and allows you to fully explore the diversity of the melodic content ! It's easy to fully customize your tracks and mix fresh and original tunes !

Besides the MIDI files you'll also find WAV loops for each MIDI pattern that you can use to either quickly audition and preview the midi files or to instantly import into your mixes - all 100% Royalty-Free!!

MIDI SERIES >> BASS HOUSE – MIDI CHORDS & PROGRESSIONS

Bass House - MIDI Chords & Progressions was originally produced at 120 BPM, 123 BPM and 125 BPM , however since you have MIDI files you can adjust the progressions to new tempos and to whatever style or groove you're working at. By using MIDI files you can also re-arrange notes and chord progressions or select different sound textures using your favourite synths!

With Bass House - MIDI Chords & Progressions you have full control , here's what you will find inside :

200 WAV Loops

- 50 Bass
- 50 Synth / Leads
- 50 Chord Progression
- 50 Full Mix Musical Compositions
