

Voxx Series >> Beatbox All-Stars

Future Loops proudly presents " Beatbox All-Stars ", the most comprehensive human beatbox sample pack ever developed and a true landmark in the genre.

"Beatbox All-Stars" was produced in collaboration with mic(ism) and The International Beatboxers Association (IBA), which have contributed to the definite expansion of beatboxing as an art form and have helped launch the careers of dozens of talented beatboxers all over the world.

Vox Series >> Beatbox All-Stars

“**Beatbox All-Stars**” remains true to its title , gathering several highly skilled and innovative beatboxers like never before :

Hobbit (a fast rising beatbox star , has performed with TyTe, yasSon or Greenjade),

Layth (a master at dubstep , breaks and dnb beatbox , he is also the winner of the London heat of the 2009 UK Beatboxing Championships) ,

Marv-III (a multi-talented beatboxer , emcee and producer he has won The Brighton Hip-Hop Festival Beatbox Battle Jam),

Voxx Series >> Beatbox All-Stars

Azeem (wicked improviser and out-of-the-box beatboxer he has performed with the likes of Shlomo and the Vocal Orchestra , Zani and Sahara),
Experimental (at only 15 has already shared the stage with some of the biggest names in the beatbox world) and the almighty
Bellatrix (the beatbox female sensation, winner of the Beatbox World Championships)!

The skills of our beatboxers were beautifully captured using the best mics and technology and a wide array of styles are represented from Experimental , Hip Hop or Electro to Dance, Downtempo, Drum n' Bass and Breaks.

Voxx Series >> Beatbox All-Stars
