

Real Series >> Blues Guitar Mojo

Future Loops is proud to release **Blues Guitar Mojo**, a fine selection of classic Blues Guitar Loops that brings you the soul, mystic and tradition of the Blues directly to your studio.

**Blues Guitar Mojo** explores the genre immortalized by Legends such as BB King, Muddy Waters, John Lee Hoker, Eric Clapton and Stevie Ray Vaughn. Featuring 357 guitar loops this pack is a very rich assortment of classic licks, riffs & chords that transport the irresistible sound of Blues.

For extended diversity and technical versatility this collection of samples features performances in both the Electric and Acoustic Guitars. There is also a huge variety of Keys and Tempos ( that range from 72 to 194 BPM) as well as two main groups of samples : Licks ( with vibrant solos and Blues riffs ) and Rhythm ( with steady chord-driven loops ).

With a total of 323 MB (WAV & REX Loops ) this sample pack is ready to unleash the powerful mojo of the Blues Guitar!
