

GROOVE SERIES >> CHILLSTEP ELEMENTS

Future Loops is proud to present "Chillstep Elements", a forward thinking collection of samples in WAV & REX formats.

"Chillstep Elements" is an exciting fusion of Dubstep , Chillout and Ambient that brings you spacey loops and broken grooves that are perfect to produce chilled tracks with a mellow and melodious mood , heavily influenced by a distinct Dubstep swing !

Every sound in "Chillstep Elements" was flawlessly designed to bring you a lustful array of 100% Royalty-Free sample content with plenty of headroom for processing and tweaking as you wish!

From underground basslines , puzzling drum loops and mysterious synths to hypnotic pads, retro pianos, strings, bells , FX , Chords, Atmospheres and more!
