

## **FUTURE LOOPS Presents Conexion Latina**

Kicking off the brand new **Latin Series** from **Future Loops** is **Conexion Latina** , a **+2GB** collection that dives deep into the world of Latin music , exploring a wide variety of styles and instruments .

**Conexion Latina** is a versatile and colorful library that features all the elements you need to build Latin flavored tracks or to spice up virtually **any music genre from Hip Hop to Dance music** .

**Latin Series >> Conexion Latina**

To develop the **Conexion Latina** sample pack Future Loops teamed up with **Tomas Pérez and the *Conexion Latina* orchestra**, a 30 year authority in Latin music and one of the most prestigious Latin ensembles in the world . ***Conexion Latina*** has gathered many talented musicians such as **Benny Bailey, Dusko Goykovich, Larry Harlow, Oscar Hernández, Alberto Naranjo** and have shared the stage with legends such as **Tito Puente, Mongo Santamaría, Rubén Blades, Irakere, Willie Colón and Eddie Palmieri**.

The result is **Conexion Latina** , a massive and contagious set of Latin samples and loops that brings you over **2.000 sounds** drenched in vibe and sensuality . To ensure maximum diversity and flexibility **both traditional and modern styles of Rumba, Salsa, Mambo and Merengue** are included .

From **Saxophones, Trumpets or Trombones to Electric Bass, Acoustic Bass , Baby Bass , 4 String Bass or 5 String Bass** , from **Pianos and Vocals to Percussion** instruments such as **Conga, Timbales , Bongo , Claves , Maracas , Quinto or Guiro** , every detail in this library is a perfectly polished and authentic piece of Latin magic .
