

GROOVE SERIES >> DARK & DUNGEON DUBSTEP

Future Loops is proud to release Dark & Dungeon Dubstep a superior royalty-free library ( WAV / REX ) that brings you the finest underground dubstep cuts!

With its 140 BPM high intensity and pulsating energy Dark & Dungeon Dubstep was developed for the forward thinking Dubstep producer that pursuits the more cerebral aesthetics to the dubstep sound (Youngsta , Kryptic Minds , J-Kenzo , Lurka or SP: MC)!

Featuring over 1 GB worth of clever drum works , dark basslines, menacing synths and defying pads Dark & Dungeon Dubstep includes nearly 600 samples and ready to mix loops that you can instantly add to your set up or cut, chop and tweak as you wish!

In Dark & Dungeon Dubstep you will also find a juicy folder packed with pristine drum one shots such as Kicks , Snares , Hats or Percussion!

All samples & loops are tempo and key labeled for easy reference!
