We packed Deep House - MIDI Chords & Progressions with sensuous and seductive melodic patterns and midi chord progressions that fit perfectly into House, Deep Tech, Deep House, Bass Music and any Funky productions that needs warm tones and velvety hooks !

Explore a valuable song composition tool that allows you to unleash the power of each kit and tweak, redesign or rewrite them into fresh , original and inspirational mixes !

We arranged all samples and MIDI files in Deep House - MIDI Chords & Progressions into high-quality Construction Kits, where each includes Chords, Bass, Synth, Leads and Full Mix (all available as WAV Loops and Midi Files for total flexibility) - plus you will find variations of each pattern and loops so you get plenty of diversity and melodic content to work into your fully customized tracks !

MIDI SERIES >> DEEP HOUSE – MIDI CHORDS & PROGRESSIONS

Besides the MIDI files you'll also find WAV loops for each midi pattern that you can use to either quickly audition and preview the midi files or to instantly import into your mixes - all 100% Royalty-Free !!

Although originally developed for 123 BPM , 125 BPM and 127 BPM you can adapt the midi progressions to whatever style or groove you're working in, and of course, by using MIDI files you can also freely select different sonic textures using your favourite synths or sync them to any Tempo or Key! This means ultimate control on your productions - just plugin your favorite Sampler or Soft Synth and make your tunes come alive!
