

Future is proud to present Dirty South Playaz, a mighty collection of Dirty South Construction Kits in WAV & REX format.

Dirty South Playaz brings you heavy and flawless material to help you produce killer beats and hip hop tracks: from pumping 808 basslines, menacing synths & leads, mysterious Brass sounds, intense arpeggios and pizzicato runs to strings, pianos, flutes, vocals, guitars, bells FX and the phattest drums!

With each Construction Kit in Dirty South Playaz you'll find all the melodic elements, full drum loops, drum one shots and all the separate tracks for full mixing control: Kicks, snares, claps, hats, crashes, percussion...Just cut, edit & mix as you go!

URBAN SERIES >> DIRTY SOUTH PLAYAZ
