

**KIT SERIES >> DISTANCE DRUM KITS**

Future Loops is proud to release **Distance Drum Kits**, a multi-format dubstep drum kit sample pack produced by Dj Distance with Future Loops.

Inside **Distance Drum Kits** you will find all the essential Drum Hits & One Shots used to develop the highly acclaimed **Distance Dubstep** sample pack. Dubstep producers that are looking for loops to work with can read more about the **Distance Dubstep** pack by clicking here !

**Distance Drum Kits** is therefore a pack for dubstep producers that like to get dirty and program their own beats from the ground up , offering high-quality One-Shots with the signature sound of one of the most respected Dubstep artists around .

**Distance Drum Kits** is also a pack for producers that like to have their kits mapped into their favorite sampler format ( MPC, Giga, EXS, Battery and Kontakt ) and ready to go !

There is also plenty of diversity in the kits featuring Claves, Fx, Hats , Keys, Kicks, Percussion, Snares, Synths, MidBass , Sub-Bass and more just waiting to be assembled into powerful dubstep tunes !

**KIT SERIES >> DISTANCE DRUM KITS****WAV :**

The WAV folder contains two sub-folders : *By Kit* and *By Type* .

The *By Kit* folder organizes the samples by sub-kits ( 25 kits in total )while the *By Type* folder organizes the same samples by their type ( Bass , FX , Kick , Snare etc.. ). This gives you the opportunity to browse samples according to your needs and preference .

**Multi-Formats :**

Additionally and for extended usability & flexibility the samples were carefully edited and mapped into MPC, Giga, EXS, Kontakt & Battery Kits. There are 5 kits for each format.

In sum here's what you can find in **Distance Drum Kits**:

- 493 WAV One Shots including;
- 162 Bass, 4 Clap, 2 Clave, 5 Crash, 1 Cymbal, 8 Flute, 18 FX, 3 Guitar, 50 Hat, 3 Keys, 32 Kick, 41 Percussion, 6 Ride, 20 Shaker, 52 Snare, 78 Synth, 8 Tam
- All sounds are also offered as Kits for Kontakt, Battery, Giga, EXS, MPC and NI Battery

**Distance Drum Kits** is a highly useful multi-format sample pack if you are looking for Dubstep Drum Hits & One-Shots . All for an affordable price with the quality stamp that Future Loops is committed to bring to you! Enjoy and keep making great music!
