

FUTURE BASS GOLD

Future Loops presents Future Bass Gold, an inspiring collection of royalty-free samples & loops in WAV, REX & MIDI formats!

Future Bass Gold brings you 15 high-quality construction kits loaded with all the elements you need to produce and mix fresh and contemporary Future Bass, Future Trap and Pop tracks!

The mood in Future Bass Gold ranges from bouncy and sensual to mellow and chill: included are full mix drums, individual drum loops (kicks, snares, hats, rides, & more) and awesome instrumental elements (bass, synths, pianos, vocal FX, vocal drops & more!) PLUS over 130 drum and instrumental one-shots!

Future Bass Gold includes MIDI files for all construction kits to ensure you can play around, tweak and reshape all progressions to make these gems truly your own!
