Future Loops is proud to present Future Chill Generation, a groundbreaking collection featuring over 1500 urban samples & loops in WAV & REX formats !

Future Chill Generation was produced and designed to bring you a forward thinking library of sounds that are influenced by a wide range of styles: With a cool Chillout breeze , lusty Ambient vibes , hints of Nu R&B, Dubsteb-drenched grooves & mellow Electronica elements !

This is the chill sound of the present future: complex and syncopated drums, warm chords, glazed synths and rich leads, deep and low basslines, far out sound FX, processed and repitched vocals & much more...
