

GROOVE SERIES >> Glitch Micro House 01

Future Loops is proud to present **Glitch Micro House 01**, a forward thinking collection of Glitch and Micro House drum loops packed with inspirational rhythmic patterns and high-tech , complex groove beds that will also appeal to Minimal , Tech-House or Deep House producers !

Glitch Micro House 01 was developed with usability and production value in mind : for each groove you get access to the standalone Build Loops, Top Loops, Full Loops and Loop Elements - offering you total creative control while mixing !

Full Loops // boundary pushing beats with multiple Loop Elements pre-mixed , all ready to cut through the mix like diamonds !

Build Loops // ready to use groove constructions for different parts of the track, combining loop elements in multiple ways. Mix alluring and powerful beats on the fly !

Top Loops // tone it down or spread some magic with kick-free beat patterns !

Loop Elements // feeling creative ? Just keep mashing, playing and cutting until you reach that Glitch Micro House sound you're looking for ! You'll find standalone kicks , hats , claps , snare , fx , clicks , percussion , rides and more ! Combine different Loop Elements and create new and original Glitch and Micro House grooves.

Glitch Micro House 01 is packed with 100% Royalty-Free loops , all meticulously designed , expertly edited and organized for *total* remix control !
