

URBAN SERIES >> HIP HOP MILLENNIUM

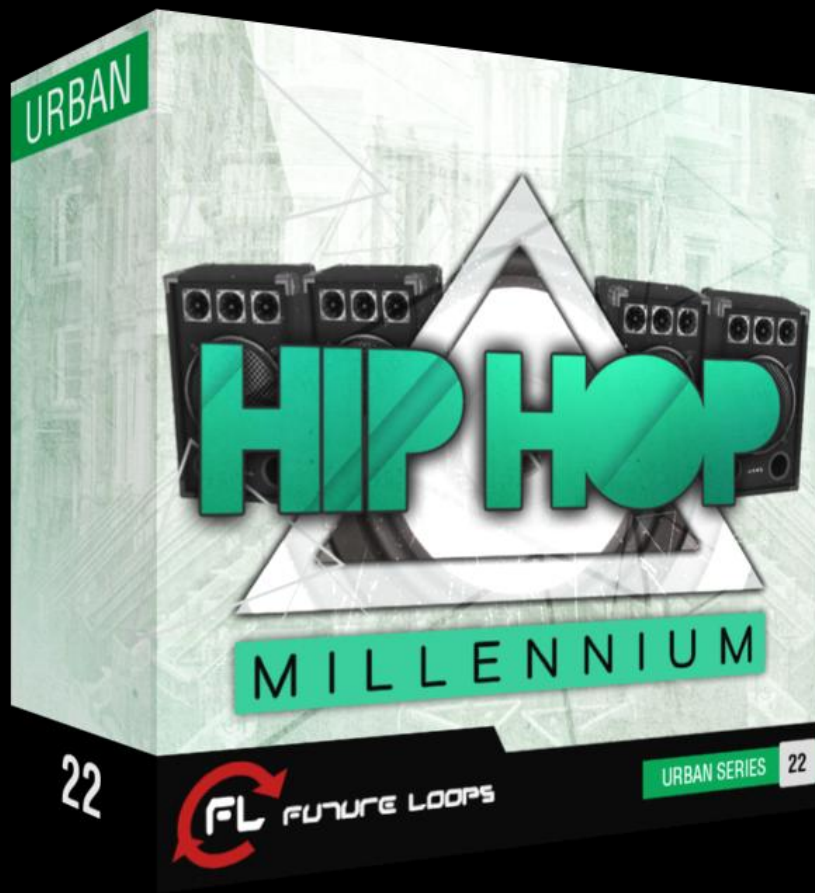

Future Loops is proud to present Hip Hop Millennium, a banging sample collection that brings you the finest Hip Hop and R&B production sounds topping the charts right now !

Hip Hop Millennium was produced for the generation Y producers out there that are craving for meticulously crafted beats , warm synths and that all-round melodic hip hop goodness !

With a trendsetting pace and dope kits Hip Hop Millennium brings you samples to both do some head nodding or a more introspective production style - From multitracked drums , basslines or synths to pads, strings, piano, arps, bells, wind, FX or vox, every sound in Hip Hop Millennium was carefully sculpted to load your studio with some serious, up-to-date Hip Hop elements !

Included are also plenty of drum one-shots to keep you busy for a while creating new drum loops straight off the bat!
