

LATIN SERIES >> HISPANIC GUITARS

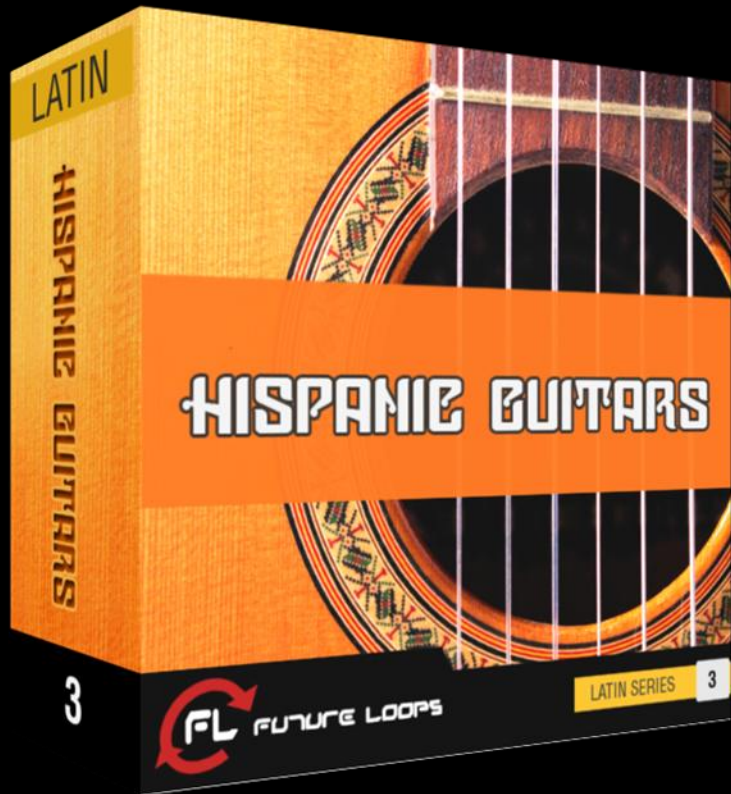

Future Loops is proud to present, Hispanic Guitars, a steaming collection of Latin guitar loops that will give your tracks an authentic Hispanic vibe.

The magical tones of the Hispanic Guitar have crossed continents and genres for decades, seducing audiences, musicians and producers around the world for its passionate character. It's unique sensual and warm melodies make it perfect to combine into any genre, from Hip Hop and R&B, to dPop and Dance Music!

Hispanic Guitars was performed by highly talented musicians that know their craft and preserve the authenticity of the sound.

With over 2800 samples (!), Hispanic Guitars is divided into 2 major groups: Leads and Accompaniment. This will allow you to choose your sounds according to your rhythmic and melodic needs. Featuring a wide array of keys for as much variety and flexibility as possible, there are also 4 different tempos: 60 Bpm, 70 Bpm, 80 Bpm and 90 Bpm.

LATIN SERIES >> HISPANIC GUITARS
