

Future Loops present **Jungle Intelligence** , a collection of fierce and sharp Jungle drums .

After the success of Nuclear DNB or Jungle Veterans, **Jungle Intelligence** continues to explore the world of Drum & Bass samples !

With its fast paced 170 BPM tempo , its organic swing and intricate breaks , **Jungle Intelligence** is ready to penetrate deep into your brain providing you with an excellent source of cerebral and challenging drums that will excite all Drum & Bass , Breaks and Jungle producers !

The loops in Jungle Intelligence were created using the hits in Jungle Drum Kits Vol 1.

Comprising mostly Full Beats **Jungle Intelligence** also includes some crispy fills to get things rolling. This 34 MB collection features:

- WAV & REX loops
- 60 Full Beats
- 12 Fills

Once again, Future Loops provides you with raw, unbeatable sonic jungle power!
