

Groove Series >> Jungle Veterans

Future Loops releases another precious gem for Drum & Bass producers! **Jungle Veterans** is an homage to the jungle warriors that first elevated drum programming to an art form , taking a queue from the classic 90's jungle sound.

Flawless jungle beats , precise drums and fast paced snares is what you can expect from **Jungle Veterans** , a supreme collection with 128 loops (64 WAV loops and 64 REX loops) that mostly includes Full Beats but also some crispy Fills to get things rolling!

This 31 Mb collection features:

WAV & REX loops

57 Full Beats

7 Fils

Specially forged for Jungle, Drum N Bass and Breaks enthusiasts , **Jungle Veterans** is for the true *connoisseur* !
