

MUSTARD WEST COAST

Future Loops presents Mustard West Coast, a dope collection of Hip Hop construction kits in WAV & REX format!

Mustard West Coast brings you the sounds of contemporary West Coast Hip Hop inspired by producers like DJ Mustard - inside you will find 15 superb construction kits packed with ready-to-mix samples , loops and kits!

With a fresh and trendy vibe, there is no shortage of super fly sounds: tight drums, playful synths, cool melodic elements and instrumentals (synth , bass , piano, bells, strings , FX, vocals & more!)

Each construction kit includes Full Drum Loops , Individual Drums Elements (Kick, Hats, Snares, Claps, etc..), Melodic Loops plus one-shots to create West Coast beats from the ground up!
