Future Loops is happy to release Pop Drums, a luxurious collection of live recorded drums specially forged for any Pop and Urban productions!

Pop Drums was recorded live to bring you over 800 high quality and professional drum loops that can serve as the perfect basis for any Pop, R&B or Urban track and comes in WAV & REX formats !

Featuring a staggering 575 drum loops and 234 drum fills Pop Drums offers plenty of variety and maximum flexibility with loops being performed at 76 BPM, 96 BPM and 120 BPM to fit multiple styles - from laid back and downtempo grooves to contemporary and upbeat vibes !

All samples are 100% royalty-free and were kept nice and clean so you can easily add any effects, tweak, process, saturate or compress as you wish !

Whatever style you're producing Pop Drums gives you a powerful arsenal of live recorded pop drum loops and fills that will surely make your tracks come alive!
