Future Loops presents RNB Gold, a stunning collection of royalty-free samples & loops that brings you contemporary R&B construction kits drenched in sensuality and flare!

RNB Gold offers you crisp drums, deep basslines, modern synths, stylish pianos, melodic strings, FX, pads & so much more - you'll be dropping the hottest R&B tracks in a heartbeat!

RNB Gold is sorted into highly useful construction kits designed with all the multitrack elements and loops you need to start mixing and mashing as you please: including full drum loops, individual drum elements (kick, snare, clap hat, percussion, etc), melodic elements (bass, strings, synth, pads, piano, FX, etc...) plus over 80 must-have R&B drum one-shots perfect to build new fresh beats from the ground up!
