

GROOVE SERIES >> R&B Midi Keyz

Future Loops is proud to release **R&B MIDI Keys**, a delicious collection of 50 MIDI keys that explore the lust and sensuality of R&B music.

Packed with irresistible classic vibes that go from Mellow and Nostalgic to Sexy and Urban , **R&B MIDI Keys** is a precious tool for serious hip-hop and R&B producers looking for easy access to High-Quality and inspirational melodies that they can shape and mold into their own exclusive productions.

Perfect for contemporary and classic R&B or Hip Hop, **R&B MIDI Keys** comes not only with 50 professional MIDI ready-to-use files but also 4 WAV instrument versions of each MIDI : That includes Guitar , Piano and Rhodes loops for every MIDI melody , which makes up for a total of 200 WAV Loops .

GROOVE SERIES >> R&B Midi Keyz

Originally these vibes work best when played at tempos that go from 65 to 105 BPM . Of course that by using the MIDI files you can freely select any Tempo or Key as well as use your favorite Synth Instrument or Sample patch to really make your sound come to life !

Here's what's inside **R&B MIDI Keys**:

- **50 RNB Keys MIDI files**
- 200 WAV Instrument versions including 100 Guitar Loops , 50 Piano Loops and 50 Rhodes Loops
